### About Pacific Resources

Pacific Resources (ASX: PXR) is a junior ASX-listed mineral resources focused company, with a focus on key, high-demand minerals – including gold, antimony and base metals. Its current projects include the Sulphide Creek Gold Antimony Project and the Mersey Volcanogenic Massive Sulphide (VMS) Base Metals and Gold Project in active world-class mineral belts in Tasmania, and the Blackall Coal Project in Queensland. It also holds an exclusive option to acquire a portfolio of gold, silver, base metals and critical minerals assets in Victoria and an investment interest in an ASX-listed copper exploration company.
